Veterans Day

Parade Planned

Clement R. Bontemps, American Legion Post 139, with Edward Murtag, commander and John D. Rutherford Jr., Veterans Day program chairman, will hold its annual parade starting at 10 a.m. Monday, October 25, at Bay Junior High School.

The parade will follow a route from the school to Second Street; Second to De Montuozin; De Montuozin to Beach; down Main to Second; Second to Union; Union to Beach; and back to Main where it will stop for ceremonies at 11 o'clock. Attorney Ruble Griffin will be guest speaker and Attorney Joseph Benvenuti will serve as master of ceremonies. Very Rev. Gregory Johnson, pastor of Our Lady of the Gulf Catholic Church, will offer the 4th benediction. Very Rev. Gregory Johnson, pastor, Our Lady of the Gulf Catholic Church, will give the devotional and Rev. Charles R. Johnson, Rector, Christ Episcopal Church, will offer the benediction.

auxiliaries, Bay St. Louis and Waveland City officials, county officials, all schools, explorers, Boys and Girl Scouts and the general public are invited to participate.

MARVIN WHITE, president of Pearl River Junior College, addresses those who attended the SCAT Inaugural flight at Stennis Field last Sunday. (Hancock Port and Harbor Commission Photograph)

SCAT Flight Begins At Stennis Field

A plaque presented to Andre C. Farish, president, South Central Air Transport (SCAT) by Donald Landry, president, Hancock County Port and Harbor Commission, officially marked and acknowledged the commencement of scheduled passenger flights to and from the county's new, jet-age, aeronautical facility near Kiln. Landry, in making the presentation, in ceremonies at

the airport, read out the plaque's inscription. "To commemorate the inauguration flight of South Central Air Transport to Gulf Central Airport-Stennis Field, Oct. 17, 1971."

Others appearing in the brief inauguration ceremonies were Russell Elliott, president, Hancock County Board of Supervisors, who introduced the many guests and spoke on the county's role in aviation. Marvin White, president, Pearl River Junior College, who gave the principal address, and Andrew Peabody, marketing manager, SCAT, who outlined connecting flight schedules at New Orleans, Gulfport and Jackson.

White spoke on his school district's intention to construct a vocational training center at the airport and outlined both the nature and intended number of courses for the teen-age and adult student in the initial phase of operations. He also emphasized that special courses, designed to fill the needs of specific industry, would be staged according to demand. Airline President Farish, in his brief response to Landry's presentation, said that SCAT intended to provide the best possible service with its present equipment and expand its schedule upon arrival of the

new Jetstream aircraft from England.

Elliott, who introduced that majority of assembled guests and dignitaries gave a brief history of the airport and officially welcomed SCAT on behalf of the county.

News Briefs

WRONG BEAT
Mrs. N. C. (Mat) Rhodes is an independent candidate for Justice of the Peace, Beat Five, Post Two in Hancock County. In a recent issue of the Echo it was stated that she was a candidate in Beat Four.

P.T.A. MEETING
North Bay Elementary P.T.A. will hold a meeting October 27 at 7:30 p.m. in the school cafeteria to nominate and elect officers.

TRAINING CLASS
Candy-strippers training class will start Thursday Oct. 28th. Girls 15 and over may contact Mrs. W.F. Merlin. Call 467-5036 for further details.

H.G. DEAN JR. has authorized The Sea Coast Echo to announce that he is an independent candidate for Supervisor, Beat 1 in Hancock County in the November 2 general election.

CONTRACT ENDS
County supervisors were informed this week by NASA officials at the Mississippi Test Facility that the contract for a security patrol in the buffer zone will not be re-negotiated with the county, due to a lack of funds.

According to sheriff Fred Curet, the majority of crimes committed in the county are in the buffer zone, and he stressed that this area is particularly in need of constant surveillance.

Carver Asked About Conflict Of Interest

Bay St. Louis city commissioner William Frisbie has taken issue with the fact that Monti-Carver Plumbing Company is doing business with the City of Bay St. Louis and Bay Operation Upturn when Mayor Warren Carver is a partner in the firm.

Frisbie brought up the question at Monday's city council meeting when Mayor Carver questioned a check to Monti-Carver saying that he (Carver) had asked the firm not to do business with the city.

Frisbie at that time asked Carver if he was a partner in the firm and Carver answered, "Yes, I am but I am only paid for the time I work there. I am there from 4 to 5 p.m. during the week and during the morning on Saturday." Commissioner

Frisbie then asked Carver if he was aware that the plumbing firm had done work for Operation Upturn. Carver stated that that was not his problem and if Frisbie was concerned, he should contact the Bay Upturn office.

In June of this year, Monti-Carver was awarded a contract to "provide labor and material to replace all trim on fixtures in men's and ladies rest room. Including replacing lavatory in women's room" (Quoted from the bid form submitted by Monti-Carver.) Their low bid was \$22.67 while two other firms bid the job, Tom Jones Plumbing, \$386.50; and Hancock Plumbing Co., \$418.00; from Operation Upturn issued a purchase order to Monti-Carver

in the amount of \$22.67. Another purchase order dated July 21, 1971, was issued to Monti-Carver in the amount of \$22.61. The reason for the additional expenditure, as quoted from the second purchase order was,

"The original P.O. called for replacing the trim only; however, the urinal was found to be cracked and had to be replaced. When the stop sink was removed to replace paneling, the waste line broke and all had to be replaced. The fitting broke and because it was corroded with rust."

On August 6 Monti-Carver was issued a check in the amount of \$425.68 from Operation Upturn for that job.

Most recently, Monti-Carver replaced a flush arm in the ladies rest room at City Hall. A check by the city was issued to Monti-Carver in the amount of \$8.00.

Another check issued to Monti-Carver during September of this year in the amount of \$10.65 bears only one signature, that of Mayor Carver. For a check to be valid, it must have the signatures of two of the three members of the commission council. However, the check was deposited and processed.

According to Frisbie, these and other actions are in violation of state laws governing elected officials. Frisbie's complaint against Monti-Carver's business dealings with Bay Operation stems from the fact that although Upturn is a federally funded program, 25 percent of the funds are provided by the City of Bay St. Louis.

(ADDITIONAL INFORMATION ON PAGE 3A)

Hospital Board

President Resigns

Kenneth Caron, president of the Board of Trustees of Hancock General Hospital, resigned from the board at a meeting Tuesday night.

Apparently held in much esteem by fellow board members, Caron expressed regret over the necessity for his decision. He gave ill health as his reason for leaving the board after a seven-year tenure.

In addressing the board, Caron said, "I've been on the

board through two boards of county supervisors and at all times we have never received anything but the utmost in cooperation from both groups. We never had any problems with meddling in the affairs or actions of the hospital board, and I feel reasonably sure that the new group of supervisors coming in will give their full cooperation in the same manner."

In an election of officers at Tuesday's meeting, the following were elected unanimously: Rev. Charles Johnson, president; Herbert Ray Knight, vice-president; Paul Smith, secretary; John Rutherford, treasurer. Rutherford was re-elected treasurer to serve the remaining two months until he leaves the board to assume duties as county chancery clerk.

In other business, the board voted to comply with a request from the hospital medical staff for replacement of needed medical testing equipment.

Rutherford submitted the hospital's financial statement, which was accepted by the board.

A letter was read from Dale C. Williamson, Hospital Licensing representative of the Mississippi Commission on Hospital Care, with recommendations for certain additions and repairs to hospital equipment. H.J. Blackledge, hospital administrator was directed by Rev. Johnson to take immediate action on Williamson's recommendations.

Twelve Will Vie For Title

The Bay St. Louis Jaycees will crown the 1971 Junior Miss on November 6. Debbie Blackledge, last years Junior Miss will crown the winner.

Twelve area girls are trying for the title and the honor to go to the Mississippi Junior Miss pageant in Meridian.

Contestants are Janelle Lader, CharMcIntyre, Sharon McKenna, Cynthia Ann Lader, Ellen Howe, Yvonne Jackson, Judy Dahn and Carmel Lader, all students at Bay Senior High School; and Elizabeth Willis, Cathy Fricke, Peggy Ann Hase and Faith Fairconure, students at Hancock North Central.

Bay Reschedules

Franchise Election

A special municipal election in Bay St. Louis seeking voter approval of a city ordinance granting a new electric franchise to Mississippi Power Company has been rescheduled from Tuesday, November 2, to Tuesday, November 16.

The Bay St. Louis Mayor and Commissioners determined Monday that the special election would have to be rescheduled after a legal notice did not appear in its entirety in the October 14th issue of The Sea Coast Echo.

Mayor Warren Carver said that the city administration on October 4 adopted an ordinance which granted a new franchise to the power company, subject to approval of the voters at a special municipal election. A resolution was also adopted, calling for the election to be published in the local newspaper at least three consecutive weeks prior to the date of the election. The Mayor explained, "The notice appeared initially October 7th and was to be published again on October 14, 21, and 28. Unfortunately, an oversight prevented the resolution portion of the legal notice from appearing October 14 as planned."

On advice from the city attorney, we agreed that a valid election could not be held as scheduled, cancelled the original November 2 election, and rescheduled a new special election on November 16.

Mississippi Power Company officials pointed out that the delay does not affect in any manner electric service in Bay St. Louis by the electric utility.

Perry Gibson, local power company manager, emphasized that the election in Waveland and in other municipalities in this area will be held on November 2 as scheduled.

LADNER SUSPENDED

Bay St. Louis fire chief Edgar Ladner has been placed on indefinite suspension from duty, by order of Mayor Warren Carver. Reason for Ladner's dismissal was improper conduct while on duty as chief of the department.

EXCISIOUS RESIGNS

Sheriff's deputy Everett Excisious resigned from the department in a letter to the board of supervisors Monday. Excisious has been a deputy for the past four years. Sheriff Fred Curet advised supervisors that deputy James Normand will be assigned to patrol status in place of Excisious.

Supervisors To Consider

Administrator Applicants

Hancock County supervisors will interview applicants for the position of county administrator Wednesday at 10 a.m. in the supervisors' board room.

The decision came at a meeting Monday when board president Russell Elliott announced that he was to meet this week with Francis Gehegen, state Dept. of Budgeting and Accounting head, to discuss state approval for utilization of Governor's Emergency Council funds to pay the administrator's salary.

The county unit system resolution called for the administrator to be paid an annual salary of \$18,000, but there is no existing county budget account to absorb the expenditure. An appeal from supervisors to the state department of budgeting for permission to use GEC money brought a response from Gehegen last week, in which he advised that no action had been taken to date on the request.

Elliott was to meet Tuesday with Robert Britton, re-appointed director of the

Governor's Emergency Council, to request Britton's intercession with the state department in the matter.

Letters went out this week to each of the five applicants for administrator, informing them of next week's meeting.

In other action, supervisors passed a motion at Monday's meeting to officially close Jackson Ridge as a dumping area, effective November 8. The new sanitary land fill is situated on Bayou Lacroix Road, one mile from the junction of Lakeshore Road and Highway 90 and will be open for dumping November 1. Supervisors passed an ordinance imposing a fine of \$50 to anyone caught dumping at Jackson Ridge after November 8. The sheriff's department will patrol Jackson Ridge to work in conjunction with a posted guard to discourage violations of the ordinance.

A superintendent will be posted at the new sanitary land fill which will be open Monday through Friday from 8 a.m. to 5 p.m., and until noon on Saturdays. Large containers

for household garbage only will be placed at the entrance to the dump to be used when the land fill area is closed.

Talmadge Rayburn, Chamber of Commerce director, presented to the board plans for an advisory tour open to county officials, sponsored jointly by the local chamber and Mississippi State University. The week long trip would include several days spent at the university learning new methods of road and bridge construction, and a trip to Tupelo for an inspection of and discussions on the city's industrial vocational school and industry.

Rayburn asked supervisors to defray the estimated \$600 travel expenses for the seven-man group.

Elliott stated that although the board was in favor of the tour, county funds were not available to cover the cost. He then directed Charles Hill, Port and Harbor Comm. director, to sound out that commission's board for possible funding from the Port and Harbor Industrial development account.

ENGINE TROUBLE

Due to engine trouble necessitating cancellation of one flight on Oct. 9, the intended freight pick-up that morning at Stennis Field in Hancock County by South Central Air Transport did not in effect transpire.

HOMEcoming COURT for Bay Senior High School include from left to right the queen, Barbara White and maids Mini Vaughn, Robin Lizana and Patricia Robinson. The court was presented Friday night at the Stanislaus Bay High Game. It proved to be a very happy homecoming for the Tigers who won the game 42-6 (Story in Sports Section) (Photo by Ed Fayard)

POLICE REPORTS

Bay St. Louis police received 74 calls in the period between October 6-18, which included four breaking and enterings, eight automobile accidents, three runaway juveniles and one hit and run accident.

A theft was reported at 194 Bay Oaks Drive when burglars cut a window screen in the back of the house to gain entry. A number of articles were reported stolen.

A neighboring residence, 196 Bay Oaks Drive, was also broken into although nothing was reported taken from the house.

A number of articles were stolen from Our Lady of the Gulf School last week, when burglars broke into a window on the south side of the school building. Police are investigating the incident.

A child received slight injuries in a four-car accident on North Beach Blvd. and Highway 90.

A juvenile male driver ran into the rear of an automobile last week at the intersection of Dunbar and Felicita Sts. No injuries were reported from the accident.

Minor accidents were reported at Highway 90 and Washington St.; at Dunbar and Highway 90; at Victoria and I-10 Sts. There were no injuries reported.

Mrs. F.D. Pendleton was injured in an accident occurring on Seminary Drive, at Highway 90. Mrs. Pendleton's automobile was struck in the rear by another car as she attempted to turn into Seminary Dr. off Highway 90. Both drivers were cited by city police.

Extensive damage by a hit and run driver was incurred by an automobile parked in front of a bar on Highway 90 last week. The owner of the damaged automobile, told police he discovered the damage when he left the bar.

Sheriff's deputy Terry Holmes arrested two youths Sunday in Pearlinton as they were attempting to break into a trailer in Dean's Trailer Park. Weldon Ray Fowler, 18, and a 17-year-old companion, both of Pritchard, Ala., were arrested as they gained entry into the trailer. H.G. Dean, Sr., trailer park owner, notified police at 5:30 a.m. of prowlers in the park area. Fowler was injured attempting to break a window in the trailer.

Both youths were booked on a charge of breaking and entering. Fowler has been charged with prowling bearing, and the 17-year-old has been referred to the Hancock County Youth Court for further action.

Three local juveniles were reported as runaways last weekend. All three have been returned by city police to their respective residences, and referred to juvenile authorities for action.

OUR OPINION

United Fund Needs Your Help!

As of October 18 only \$4,594.82 has been collected in the 1971 Campaign of the Hancock County United Fund. \$19,478.18 must be contributed by our people, in order to arrive at the goal of \$24,000, the amount of money needed to carry on the work of the twelve agencies supported by the Fund: Hancock County Retarded Children's Association, Coastal Mental Health Program, Hancock County Emergency Relief, Catholic Social Services, Girl and Boy Scouts, American Red Cross, Hancock County Blood Bank, Camp Onward, USO, Gulf Coast Family Counseling Agency and the Traveler's Aid Association.

Through the services of these agencies they reach one out of every four of us, and our children. They serve us well every day of the year in the field of emergency relief, retardation, and mental health, family assistance and rehabilitation, assistance to children and to the aged and many other areas of charitable and social endeavor, and their work has been an important part in the lives of the people of Hancock County.

Once a year, in October, the United Fund calls upon us to contribute, in order to carry on the work of these Organizations, which are in the fund because there is a definite need for their services in our community.

We want to express our appreciation to all who have contributed, and appeal to those who have not yet made their contributions. Some of us may not find it convenient to give at this time, but may prefer to make a gift at a later date. We need your help in order to support worthy agencies. If you don't do it, it won't get done. The address is: HANCOCK COUNTY UNITED FUND, P.O. Box 142, Bay St. Louis, Miss. 39520.

Our readers write

Editor: Sea Coast Echo:

The following excerpts were taken from one of the Gulf Coast Newspapers dated September 28th, in Re: Mississippi Power Electric Franchise to Cities.

No. 1-Mississippi Power Company applied for a rate increase. This rate increase was denied by the Mississippi Public Service Commission. The Company however now charges this higher rate to consumers and has posted a bond for refunds while their appeal goes before the Hinds County Courts.

No. 2-Side by side consumers are charged different rates-a lower rate to all electric homes and a higher rate to consumers who draw to cook, heat, or heat water with natural gas or some other fuel.

No. 3-Voltage surges-high and low voltages which can ruin appliances for any consumer, are a carefully kept company secret. If the consumer's air conditioner is ruined by voltage fluctuation, it is his tough luck.

No. 4-Franchise extensions, despite the fact that municipal franchises to operate in Gulfport, Long Beach, Pass Christian, Bay St. Louis and Waveland still have a year, or two to run, the Company has caused municipal action by these franchises to extend these franchises for 25 years. Included in the proposal is an increase in payments to the City Governments, which actually insures passage by money-short city officials. In each case, however, the franchise extension must be approved by the voters at the general election in November.

What many consumers are learning about the proposal is that if they vote "YES" on the franchise extensions they are voting a HIDDEN TAX.

CRASS - The franchisees because the only way the power company can pay the cities more money is through the consumer rates.

Now there is much more to this and I don't want to take advantage of your paper's valuable space for its readers' letters, but if the Echo Editor

wishes to have clippings of this series on the Franchise news, I shall be glad to send them to him.

Mr. & Mrs. James McFie
Waveland, Mississippi 39576

To The Mayor and Commissioners
Town of Waveland
Waveland, Mississippi 39576

Honorable Sirs:

As a property owner and one sincerely interested in the welfare and prosperity of our potentially beautiful little town of Waveland, it is of increasing concern that it has become literally a "sea of weeds".

You will be interested to learn that I recently induced two of my friends from Hattiesburg who are interested in building on the coast to visit Waveland, and each one had essentially the same report - they couldn't invest in a community so devoid of civic pride that every other lot was allowed to become a weed patch.

Did I hear aright that there is an ordinance on your books which provides that property owners must clean up or else the town authorities will have it done and assess the property with the cost thereof? May I respectfully ask why this ordinance is being allowed to merely "ride the books" with no enforcement? We have heard several of your constituents also asking this question. It is not unreasonable to argue that even though the enforcement of this ordinance should entail troublesome aspects and you are beset by many other problems, which you consider to be more important, the future development of Waveland is dependent upon its appearance to the visiting vacationers and tourists. After all, even if the town itself had to pay for it, one man and one bush-hog could at least clean up in the vicinity of the beach-front or aren't you interested?

Remember, the name of our town is WAVELAND - let's not have it called WEEDLAND!

Local Government In Action

Mayor's Office, Bay St. Louis

(ED. NOTE: This is the sixth in a series of articles by staff writer Adoree Shortle, explaining the various departments in the three local governments - Bay St. Louis, Waveland and Hancock County.)

Mayor's Office,
Bay St. Louis

The code of ordinances book for the City of Bay St. Louis describes the administrative duties of the Mayor as follows:

DEATHS

MRS. ELIZABETH ANN BOWDEN WILLET, Mrs. Elizabeth Ann Bowden Willett, 69, mother of S. R. Willett Jr., Bay St. Louis, died at 11:45 p.m. Sunday, October 17 at Gulfport Memorial Hospital following a lengthy illness.

A native of Anderson, S. C., Mrs. Willett had resided in Gulfport for 50 years. She was the daughter of the late Eleanor Boggs and Joseph Hillhouse Bowden.

Mrs. Willett, a graduate of King's Daughters Hospital School of Nursing, Gulfport, was a member of St. Peter's By-The-Sea Episcopal Church, Gulfport Woman's Club and the Gulfport Garden Club.

In addition to her son, she is survived by her husband, Sherrod Roberts Willett, a daughter, Mrs. Edward J. (Ruth Lloyd) Hodge, Covington, L.A.; two brothers, Joseph H. Bowden, Gulfport, and Leland M. Bowden, Denver, Colo.; a sister, Mrs. Larry McGill, Biloxi, and five grandchildren. Funeral services were held Tuesday morning at Riemann Funeral Home chapel, Gulfport with Rev. Charles Johnson, rector, Christ Episcopal Church and Rev. Roy Bascom, rector, St. Peter's Episcopal Church, Gulfport, officiating. Interment was in Floral Hills Memorial Gardens.

O.E. POPE Funeral services for Otto Earl Pope, 82, who died at 4:25 p.m., Tuesday, October 12, at Gulf View Haven Rest Home, where he had been a patient for two days, were held Friday afternoon from Riemann-Fahey Funeral Home chapel with Rev. Charles R. Johnson, Rector, Christ Episcopal Church, officiating.

Mrs. Ruth Ketchum, organist, played the prelude, In The Garden and a melody of hymns. Interment was in Garden of Memories Cemetery with Pete Chapman, John Dougher, Cleveland Wyatt, Dr. A. K. Martinovich, Robert Van Peski and Harold Stiglet as pallbearers.

Mr. Pope, a retired, self-employed building contractor, was born October 29, 1888, in Macon, Mo., and had been a resident of Bay St. Louis for 20 years. Prior to that he resided in Carthage, Ill. He was a member of Main Street United Methodist Church.

Survivors include his wife, Mrs. Hazel Merrell Pope, Bay St. Louis; two daughters, Mrs. George Dickson, Burlington, Iowa, and Mrs. Lambert Boyd, Waveland; three grandchildren and a sister, Mrs. Lyril Adams, Broomington, Ind.

phone and in person, covering everything from bumps in the street to neighbor's barking dogs.

However, for Warren Carver, Mayor of Bay St. Louis since 1969, handling a daily stream of complaints is standard operating procedure, through which all the other affairs of city government are filtered.

MAYOR'S STAFF

The Mayor's immediate staff includes a secretary, Eloise Necaise, whose desk is in the mayor's office, an assistant to the mayor, Bunk Gardner, and Jerry Boyle, who directs the cleanup and demolition program on a part time basis, from City Hall.

Gardner, a resident of Waveland for some years, is primarily in charge of a community action group for Bay St. Louis and will perform in an advisory capacity to the city administration on financial matters. His salary of \$125 a week is paid by the city.

Gardner is housed in the Uptown offices in Webb Center, and started his present duties in September.

DEPARTMENT HEADS

Both the chief of police and fire department chief as well as their assistants report directly to the mayor, as does the superintendent of streets and sanitation, Walter Saucier. All recommendations to repair or acquisition of equipment, personnel changes and any other matters concerning their departments must be submitted.

YACHT CLUB

Bay-Waveland Yacht Club will have its Board of Governors meeting Friday at 6:30 p.m. at the club. Friday night a scrumptious dinner will be served for the members and their guests. Saturday there will be a "Ball of the Bilge," hosted by T.T. Robin, J.R. Shadoin, and H. Shaw from 6 to 8 p.m. Informal cocktail hour. Sunday, a steak dinner only will be served.

Social Security Information

FILE MEDICARE CLAIMS PROMPTLY TO AVOID DELAY IN PAYMENT.

To avoid delay in Medicare payment, patients should file claims promptly after they get their doctor bills, according to Walter H. Hobbs, district manager of the Gulfport social security office.

"Many people let their medical bills accumulate until the end of the year and then file their claim. This tends to create a clerical backlog that can cause delays in payment," Mr. Hobbs said.

Claims are filed on "Request for Medicare Payment" forms available at most doctors' offices and at any social security office, Mr. Hobbs said. Your Medicare Handbook tells where claims forms should be sent.

In most cases physicians submit claims for their services under Medicare themselves and are paid directly by the Government.

Mr. Hobbs said December 31, 1971, is the deadline for filing Medicare claims for services rendered October 1, 1968 through September 30, 1970.

"Under the law, Medicare can pay medical insurance claims only within a certain time after treatment or other service," he said. "After December 31, 1971, Medicare cannot pay on bills for services rendered October 1, 1968 through September 30, 1970."

Medical insurance is the voluntary part of Medicare. It is available to almost everyone 65 or over and helps pay for doctors' bills and certain other health care services. It is funded by individual premiums that are matched by the Federal Government. It pays 80 percent of reasonable charges above the \$50 annual deductible for covered services.

Medicare hospital insurance, funded through regular con-

to the mayor for approval.

PAYSCALE

Police chief Robert Goodsell and Saucier are salaried and receive \$600 a month. The fire chief receives a salary of \$550 monthly, and the assistant chief gets \$450. All personnel working in the three departments are paid an hourly wage, the majority of which get \$2 an hour. Street crew members who drive heavy equipment receive a slightly higher hourly wage.

The city of Bay St. Louis is not on a civil service system, although the federal minimum wage act is observed. Participation in the state retirement plan is mandatory for all city employees and is withheld from pay checks.

PERSONNEL

Saucier has 18 to 20 men working in his two departments and is responsible for the supervision and upkeep of all city equipment. As was explained in earlier articles, the police force consists of six regular men including the assistant and two part-time policemen for traffic control; there are two regular firemen besides the chief and his assistant.

By amendment to the city ordinance some time ago, the position of police justice was relegated to attorney Joseph Benvenuti, who holds city police court every Thursday night at City Hall. By arrangement with the mayor, Mrs. Ethel Raymond is paid \$50 a month for secretarial duties to record police court matters.

As plumbing inspector for the city inspection department, Edward Laroux works under a straight fee basis. When he works in a supervisory capacity over crews on street repair programs, he is paid \$4.50 an hour, with an additional monthly automobile reimbursement.

Janitorial services for City Hall are performed by Zachary Blackwell, who is also full time dog warden and pound keeper. Blackwell's salary is \$60 a week.

Besides the responsibilities of the above departments, the mayor is called upon to participate in a myriad of community activities such as dedications, ribbon cuttings, receptions, awards banquets. He is asked to join civic organizations, attend meetings, ride in parades and greet visiting dignitaries.

The job of mayor can be excessively demanding of a man's time, energies and patience, but in this case, the position held no surprises for Warren Carver as he held the same position 20 years ago, with the same alacrity as he does now.

The Role Of The Optometrist In Visual Development

Pediatric Vision

A child's future, his learning and experience depends many ways upon his vision. According to the scientific knowledge available today it is said that 83 percent of our knowledge comes through our visual apparatus. Deficient eyesight in the formative years can effect a child in far reaching ways, in his reading ability, personality and neurophysiological development suffers if vision is not up to the demands placed upon it.

Yet a large number of youngsters in school today have undiscovered visual problems. For some of these children, poor eyesight is seriously affecting their learning process, while for others different visual problems are making their school work much harder than it need be. This is unfortunate in today's scientific world with its premium upon education. A new baby can barely see his mother's face the facial details are beyond his vision. His eyes need exposure to light, things to look at, and time to grow in order to develop the skills necessary for him to see clearly. During the first few weeks of life, a baby stares aimlessly about. His muscles and nerves cannot yet control his eye movements accurately. Each eye acts independently of the other for about eight weeks, sometimes crossing or rolling outward, much to the parents alarm. Early eye movements are very erratic, but this is no more unusual than the spasmodic flexing of the baby's arms and legs. At about 4 months of age, the baby begins to give closer attention to things around him. He can hold an object and direct his eyes toward it. Simple coordination of the eyes with hands and of the two eyes with each other has now begun.

At 6 months the baby is beginning to investigate reality seriously with his vision. He reaches and touches an object, may try to taste it, but now he looks at the object in an effort to find out all he can about it. His

seeing is playing an increasingly important role in the learning process. He should be able to move his eyes inward together, to follow a shiny toy accurately as it is moved slowly close to his eyes. In the early months of a child's life, there may still be an occasional turning in or out of one eye. However, after six months of use the two eyes should be quite well coordinated and any tendency for one eye to deviate in any direction should disappear. Vision has sharpened a great deal in the first year also the baby can recognize distant objects now, though vision is far from as clear as it will get. Once the baby crawls from the crib to explore the world around him his eyes should work together, and this is a critical time to watch for proper visual development.

Here are some signs of poor vision in infants:

1. Baby is visually very unresponsive.
2. He holds things very close to see them.
3. He often bumps into large objects.
4. He cannot pick up small objects with accuracy.
5. He constantly favors one eye when looking at an object.
6. One or both eyes turn in or out for noticeable periods of time.
7. Baby squints or closes one eye frequently.

Once the child reaches two years of age, he should have learned to use his eyes effectively and there should be no evidence of any further difficulty.

Legal notices

STATE OF MISSISSIPPI—
COUNTY OF HANCOCK
NOTICE OF TRUSTEE'S SALE

WHEREAS, on the 17th day of November, 1970, Emily Jeter Getman executed a deed of trust to J. Ruble Griffin, Trustee, to secure an indebtedness therein mentioned to Arthur D. Gatti and wife, Jean Gatti, which deed of trust is duly recorded in Book 149, pages 454-55, Records of Mortgages and Deeds of Trust on Land, Hancock County, Mississippi; and

WHEREAS, default having been made in the payment of said indebtedness and the said Arthur D. Gatti and Jean Gatti, the legal holders of said indebtedness, having requested the undersigned trustee to foreclose on said deed of trust for the purpose of paying said indebtedness and costs;

NOW, THEREFORE, I will on the 19th day of November, 1971, within legal hours, offer for sale and sell to the highest bidder for cash at the front door of the Hancock County Court House in Bay St. Louis, Mississippi, the following described real property located in Hancock County, Mississippi, and more particularly described as follows, to-wit:

Commencing at a point where the line between Lots 5 and 6, Rear of the First Ward, Bay St. Louis, Mississippi, intersects the North line of Blakemore Street, as per the official plat of said First Ward by E.S. Drake, C.E., dated May 1, 1923, and on file in the office of the Chancery Clerk of Hancock County, Mississippi; thence North 20 degrees 00' East 222 feet along the line between the said Lots 5 and 6 to a point; thence North 70 degrees 00' West 15 feet to a point as a place of beginning; thence North 70 degrees 00' West 300 feet, more or less, to the East line of Engman Avenue; thence South 20 degrees 00' West 140 feet along the East line of Engman Avenue; thence South 70 degrees 00' East 300 feet, more or less; thence North 20 degrees 00' East 140 feet to the place of beginning. Said land being located in the Rear of the First Ward, City of Bay St. Louis, Mississippi, and being part of Lot 5.

Together with all and singular the rights, privileges, improvements and appurtenances to the same belonging or in any wise appertaining. I will convey only such title as is vested in me, as Trustee. ADVERTISED, POSTED AND DATED, this 21st day of October, A.D. 1971.

SUBSTITUTED TRUSTEE'S NOTICE OF SALE

WHEREAS, on the 20th day of October, 1967, Moireon Development Company, Inc. and Gary T. Gilmore, as Grantors, executed and delivered a certain deed of trust unto A. Y. Harper as Trustee, for Standard Life Insurance Company, as Beneficiary, to secure a certain indebtedness, which deed of trust is recorded in Book 122 at Pages 113-115, Records of Mortgages and Deeds of Trust on Land, Hancock County at Bay St. Louis, Mississippi; and

WHEREAS, said deed of trust authorized the appointment and substitution of another trustee in the place and stead of the trustee named in said deed of trust and Standard Life Insurance Company of Jackson, Mississippi, appointed and substituted Robert G. Gillespie, Jr. as trustee in the place and stead of A. Y. Harper, by Substitution of Trustee dated September 17, 1971, and duly recorded in the Office of the Chancery Clerk of Hancock County at Bay St. Louis, Mississippi, in Book 156 at Page 191, Records of Mortgages and Deeds of Trust on Land, as was its right to do under the terms and conditions of the said deed of trust, and

WHEREAS there has been a default in the performance of the terms, conditions and provisions of said deed of trust by said Grantors, and in accordance with the terms and provisions of said deed of trust, the entire indebtedness secured thereby has been declared due and payable by Standard Life Insurance Company the present holder of the indebtedness secured thereby, and the said Substituted Trustee has been requested to execute said deed of trust, and

NOW THEREFORE, I, ROBERT G. GILLESPIE, JR., SUBSTITUTED TRUSTEE, will on the 25th day of October, 1971, offer for sale and sell at public auction at the front door of the Court House of Hancock County, Mississippi, at Bay St. Louis, Mississippi, within legal hours, to the highest and best bidder for cash, that property lying and being situated in Hancock County, Mississippi, which is more particularly described as follows, to-wit:

Commence at the point of intersection of the line containing the NW 1/4 of Section 11 and the NW 1/4 of Section 12, Township 6 South, Range 15 West, and thence run along the NW 1/4 of Section 11, Township 6 South, Range 15 West, to the highest and best bidder for cash, that property lying and being situated in Hancock County, Mississippi, which is more particularly described as follows, to-wit:

Commence at the point of intersection of the line containing the NW 1/4 of Section 11 and the NW 1/4 of Section 12, Township 6 South, Range 15 West, and thence run along the NW 1/4 of Section 11, Township 6 South, Range 15 West, to the highest and best bidder for cash, that property lying and being situated in Hancock County, Mississippi, which is more particularly described as follows, to-wit:

Title to said property is believed to be good, but I will sell and convey only such title as is vested in me as Substituted Trustee.

WITNESS my signature on this the 30th day of September, 1971.

ROBERT G. GILLESPIE, JR.
Substituted Trustee
9-30, 10-7, 10-14, 10-21-71

ADVERTISEMENT FOR BIDS
The Board of Trustees of the Bay St. Louis Municipal Separate School District will accept bids up to 7:30 p.m. Monday, November 8, 1971 for erection of a flagpole located at Tiger Stadium, Bay St. Louis, Mississippi. Plans and specifications are on file in the office of the Superintendent of City Schools and copies may be obtained from him for bid use.

No deposit is required. Bids will be received in the Superintendent's office at Bay Senior High School where all bids will be publicly opened and read.

The Board reserves the right to accept or reject any and all bids.

ADVERTISEMENT FOR BIDS

EDA Project No. 94-10879-1

Sealed bids will be received by the Hancock County Port and Harbor Commission on behalf of the Board of Supervisors of Hancock County, Mississippi, for construction of TANK FOUNDATIONS AND BOOSTER PUMP STATION at the office of the Hancock County Port and Harbor Commission, Colonial Plaza Building No. 1, Bay St. Louis, Mississippi, until 2 P.M., Central Standard Time, November 16, 1971, at which time and place bids will be publicly opened and read aloud unless time shall be extended by advertisement issued to bidders.

The work consists of furnishing all labor, tools, equipment, materials and performing all work in accordance with the Specifications and Contract Drawings as set forth in the above Contract for construction of pile and concrete foundations for elevated water tank, piping connection to tank, tank constructed by others, for booster pump station, and for entrance road to the two sites in the West Hancock County Harbor and Industrial Area.

Copies of all Contract Documents, Drawings and Specifications as prepared by Fromberg Engineers, 1539 Jackson Avenue, New Orleans, Louisiana, may be examined and obtained at the office of Hancock County Port and Harbor Commission, Colonial Plaza Building No. 1, Bay St. Louis, Mississippi, or at the office of Fromberg Engineers, 1539 Jackson Avenue, New Orleans, Louisiana, upon payment of \$10.00 per set which is not refundable.

Bids submitted shall be on the prescribed forms furnished. Bids shall be in accordance with the "Information for Bidders" and shall be filed with the director, Hancock County Port and Harbor Commission, at the address shown above. Each bidder must deposit with his bid, security in the form of a Bid Bond or Certified Check in an amount equal to at least five percent (5 percent) of the Total Base Bid. No bidder may withdraw his bid within thirty (30) days after the actual date of opening thereof.

The Hancock County Port and Harbor Commission, Board of Supervisors reserve the right to waive any informality of form or to reject any and all bids.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract. All bidders must be licensed by the Mississippi State Board of Public Contractors and the bidder's License Number and Certificate of Responsibility Number shall be indicated on the outside of the envelope. No bid will be opened unless the Contractor is so licensed and the envelope is so marked.

STATE OF MISSISSIPPI—HANCOCK COUNTY

NOTICE OF PUBLIC HEARING

Notice of Public Hearing is hereby given as provided by Section 3593, Mississippi Code of 1942, as amended for those persons who might have any objection to a zoning of an area in the Kiln Community, more particularly described as follows, to-wit:

Beginning at a point where the West line of Section 30, Township 7 South, Range 14 West, intersects the Southern R-W of Highway 603; thence Northerly along the aforesaid Highway 603 a distance of 527 feet. Being part of the NW 1/4 of Section 30, Township 7 South, Range 14 West, Hancock County, Mississippi.

At said hearing a determination will be made as to whether or not said land should be zoned commercial; said hearing to be held at the County Courthouse in the Board of Supervisors' meeting room at 10:00 a.m., the 1st day of November, 1971.

INVITATION FOR BIDS

The City of Bay St. Louis will receive bids for repainting water storage tanks until 10 A.M. on the 25th day of November, 1971, at City Hall, 308 S. Second Street, Bay St. Louis, Mississippi, 39320 at which time and place all bids will be publicly opened and read aloud. Bids are invited for the work as outlined in the Contract Documents.

Contract Documents, including Drawings and Technical Specifications, are on file at the office of Operation Upturn at 300 Third Street, Bay St. Louis, Mississippi, 39320. Copies of the Contract Documents may be obtained by depositing \$10.00 with the Operation Upturn for each set of documents so obtained. Fifty Percent (50 percent) of each such deposit will be refunded if the Drawings and Contract Documents are returned in good condition within 10 days after Bid Opening.

A certified check or bank draft, payable to the order of City of Bay St. Louis negotiable U.S. Government bonds (as par value), or a satisfactory Bid Bond executed by the bidder and an acceptable surety, in an amount equal to five percent (5 percent) of the total bid for Site Preparation shall be submitted with each bid.

The bidder will be required to submit evidence that he has complied with the requirements of the licensing law of the State of Mississippi. Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project, and that the Contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin.

The City of Bay St. Louis reserves the right to reject any or all bids or to waive any informality in the bidding. Bids may be held by the City of Bay St. Louis for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding of the Contract.

TRUSTEE'S NOTICE OF SALE

WHEREAS, on June 29, 1971, George Bourgeois and wife, Janice Bourgeois executed a deed of trust to O.B. Taylor, Jr., Trustee for the benefit of Kimbrough Investment Company, which deed of trust is recorded in Deed of Trust Book 154 at page 283 in the office of the Chancery Clerk of Hancock County, Mississippi; and

WHEREAS, default having been made in the terms and conditions of said deed of trust and the entire debt secured thereby, having been declared to be due and payable in accordance with the terms of said deed of trust, and the legal holder of said indebtedness, Kimbrough Investment Company having requested the undersigned trustee to execute the trust and sell said land and property in accordance with the terms of said deed of trust for the purpose of raising the sums due there under, together with attorney's fees, trustee's fees and expense of sale.

NOW, THEREFORE, I, O.B. Taylor, Jr., Trustee in said deed of trust, will on the 8th day of November, 1971, offer for sale at public outcry, and sell within legal hours, (being between the hours of 11:00 A.M. and 4:00 P.M., at the front door of the County Court House of the County of Hancock, Mississippi, to the highest and best bidder for cash, the following described property lying and being situated in the County of Hancock, State of Mississippi, to-wit:

Lot 15, Block 2, SPANISH ACRES ESTATES SUBDIVISION, to the City of Bay St. Louis, County of Hancock, State of Mississippi, as per map or plat thereof on file and of record in Plat Book 3, page 31 of the Plat Records of Hancock County, Mississippi.

I will convey only such title as is vested in me as Trustee.

WITNESS MY SIGNATURE this 6th day of October, 1971.

FELLOWSHIP SUPPER
A fellowship supper was held last Saturday night in Main Street United Methodist Church Fellowship Hall honoring new families in the Church fellowship.

Food for the occasion was provided by each family bringing a covered dish. Serving on the supper arrangements committee were members of the Junior and Senior high school classes. Members of the Wesley Sunday School class formed the attendance committee.

This is part of a new program adopted by the council of Ministers to include activities of this type in the total church program.

A MESSAGE FROM YOUR DEMOCRATIC NOMINEE

EARL "BUCK" LADNER

Dear Voter,

On August 3, 1971, you showed your interest in me when you gave me your vote of confidence which enabled me to lead the ticket and enter the second primary for State Representative, Hancock County. On August 24 you again gave me this tremendous vote of confidence which enabled me to win the Democratic Primary.

In the past it has been a tradition in Hancock County, as well as in Mississippi, that the Democratic Nominee be declared the winner. However, several county and state Democratic Nominees, along with myself, are opposed by Independent Candidates in this year's general election.

It is impossible for me to take on any other campaign as a personalized campaign as I did in the Democratic Primary. Therefore, I sincerely hope that you, the people of Hancock County, will continue to show your interest in me by supporting me in the November 2 Primary.

Sincerely,

Earl "Buck" Ladner

(PD. POL. ADV.)

Fire Prevention Project Planned

The Hancock County Chamber of Commerce Fire Prevention Committee will begin a county-wide project November 13 to point up the importance of effective and constant fire prevention in the community.

Committee chairman George Cleary has announced that committee plans are to begin a different program of fire prevention each month and projects will cover the entire county, as well as the cities of Bay St. Louis and Waveland.

The chamber committee is supported in the project by the Hancock County Firemen's Association, which includes fire department personnel in Bay St. Louis, Waveland, Volunteer Dept., Pearl Harbor Volunteer Dept., Kiln Volunteer, East Hancock Volunteer and the NASA fire unit at the Mississippi Test Facility.

On November 13 and every subsequent Saturday of the month, members of the association will form work parties to cut all grass, brush

and high weeds along every thoroughfare in the county, from Kiln to Pearl Harbor, Ansel, Waveland and Bay St. Louis. Bush hogs will be used to cut and mow, as follow-up crews will pile weeds at intermittent places along the roadways to be burned.

This project, Cleary said, has been chosen to kick off the fire prevention campaign as with the advent of all, excessively high, dry weeds are a particular fire hazard along roads and on neglected property.

Chamber of Commerce committee members and association members will hold a meeting tonight at 8 p.m. at the chamber offices in conjunction with the upcoming program. Special guests at the meeting will include Norman Cowart, deputy fire marshal for southern Mississippi, and the chief deputy fire marshal for Mississippi.

All county and municipal public officials and administrators have also been invited to attend the meeting, which is open to the public.

Educational Channel

The Director of Engineering for the Mississippi Educational Television Network, F. Lee Morris, revealed today that the southern part of Mississippi can expect to receive educational television "thoroughly," before the end of the year.

Channel 19, Biloxi, is ninety per cent completed, according to Mr. Morris.

"We had wanted and tried to have Channel 19 on the air in time for the beginning of the school year," Mr. Morris emphasized, "but we've been unavoidably delayed by problems encountered in the erection of the transmitting tower, the building at the transmitter site, and the microwave system—problems which are beyond the control of the Authority."

Explaining the difficulty further, Mr. Morris pointed out that the MART refused to accept anything less than the quality originally sought in the construction of the facility, and that when substandard guy wires—for example—had been used in the tower, they were rejected and had to be replaced. With corrections and improvements currently underway, however, progress is being made toward activating the new addition to the proposed eight-station network by December of this year, if all continues as planned.

Channel 19 will be located on forest land belonging to Mississippi State University, near McHenry, Mississippi, and will serve a viewing area within a radius of some 75 miles of the 1500 foot transmitting tower. In addition to most of Jones, Wayne, and Marlon, and part of Covington, Jefferson Davis, and Wallall Counties, the entire population of the following counties will be served: Lamar, Perry, Greene, Forrest, Pearl River, Stone, Hancock, Harrison, and Jackson.

"In spite of the postponement of the actual activation of Channel 19, our staff has, for some time now, worked closely with residents of that area in preparation for their receiving educational television," William Smith, Executive Director of the Mississippi ETV Center, said.

"Our instructional television specialists have talked with teachers there, familiarizing them with our programming, conducting workshops in the schools, and distributing teachers' manuals, so students in the Channel 19 viewing area should derive the maximum benefits from ETV when they begin using it," Mr. Smith continued.

Channel 19 will be the second satellite station to be activated. Channel 2, State College, having been on the air since July 4 of this year. WMAA, Channel 29, Jackson, is the nucleus of the network to which the satellite stations are connected by microwave relay. We expect to activate both Channel 17, Bude, and Channel 14, Meridian, at approximately the same time Channel 19 goes on the air," Mr. Morris said.

WITH A LITTLE HELP FROM MY FRIENDS... Mrs. Betty Quinn Drury receives assistance during ribbon cutting ceremonies at her new gift shop, the Bay Window in the Colonial Plaza on Highway 90 in Bay St. Louis. Carter Stewart, young son of Dr. and Mrs. W. K. Stewart of Pass Christian helps Mrs. Quinn and Russell Chapman, president of the Hancock County Chamber of Commerce as they prepare to formally open the new shop. (Echo Staff Photo by Marileen Maher)

New Gift Shop Opens In Bay

Area residents now have a very new and very different gift shop, The Bay Window, which opened October 1 in the Colonial Plaza on Highway 90, next to Gulf National Bank in Bay St. Louis.

Mrs. Elizabeth Quinn Drury is owner of the new business. Her family formerly owned the Pirate House in Bay St. Louis during the 40's and at one time

she attended St. Joseph Academy here.

For the past 15 years, Mrs. Drury has been a free-lance decorator. Her early apprentice years were at Hemenway's in New Orleans and she was part owner of The Shutters, a decorating shop also located in New Orleans. After the first of the year, Mrs. Drury will be available for home interiors consultation. She also plans to decorate the shop in a Christmas, red and green by November 15.

The shop is decorated with Early American and country

antiques and will be stocked with carefully selected design gifts at moderate prices for any occasion.

The Bay Window will be opened Monday, Tuesday, Wednesday and Friday from 10:30 a.m. to 4:30 p.m. on Saturday from 1-5 p.m. and closed on Thursday.

Children's Center May Get Recreational Program

Development of the school and recreation facility for retarded children was discussed at a recent meeting of the Hancock Association for Retarded Children.

Educational facilities, including a qualified special education teacher, have been extended to the Children's Center students by the county school system. The special education school is now housed in the Lakeshore School in

Clermont Harbor and the children have been separated after testing, into two groups - trainable and educable, with teachers and aides for both groups.

Playground equipment for the children has been earmarked by the Bay St. Louis Parks and Playgrounds Commission, through funding by Bay Operation Upturn. Equipment purchased in this manner will be installed by the Park and Playground commission at the

Lakeshore School, with the understanding that the equipment will revert back to the city of Bay St. Louis at any time that the special education school may leave the premises.

Mrs. William Lamb, president of the association, reported that blue ribbons were awarded to every child exhibiting handwork in the association booth at the Hancock County Fair, Bay St. Louis. Jaycees sponsored the booth for the Children's Center students. The booth also won a first place ribbon, Mrs. Lamb stated, in the best decorated category.

Additional repairs and improvements to the Lakeshore school building have been promised by the county school board at their last meeting. Members of the Junior Auxiliary appeared at the meeting representing the Retarded Children's Association.

The next meeting of the Retarded Children's Association will take place November 23, at 7:30 p.m. in the school. All meetings are open to the public and any persons interested in the development of special education in the area are urged to attend.

Waveland

Wishes for a happy birthday go to Miss Gwen Ferrell who celebrated the occasion on Tuesday.

Miss Becky McCune and her brother, Jimmy McCune, along with their grandparents, Mr. and Mrs. Kent Laughlin, spent the weekend in Hattiesburg visiting their aunt and uncle, Mr. and Mrs. Jerry Mooney. Becky and Jimmy are the children of Mr. and Mrs. James

McCune of this city.

A belated birthday wish for Miss Bonnie Jo Binegar who celebrated the occasion with her family last week.

The Reighlers and the Wendlings enjoyed a fishing trip last Monday. They spent the day at the Islands and Keys and enjoyed Bob's new boat.

If you have news call 467-4984.

In 1960, Corvair, Falcon and Valiant were introduced.

1972: Now there's only one.

PLYMOUTH

Valiant.

In 1960, Chrysler, Ford and GM entered the compact field. Many Americans wanted smaller cars. For their low price, Economy, Ease of driving and parking. For

several years, Corvair, Falcon and Valiant met these needs and did quite nicely, thank you.

Survival of the fittest.

Over the years, however, something happened.

Buyers became disenchanted. Corvair eventually closed up shop in the late '60's.

Falcon soon followed suit.

One car didn't. Of the three, it's the only one left, Plymouth Valiant.

We think that says a lot about the kind of cars we sell.

Trial and not much error.

Today's Valiant still has the values that make a good car a great car: torsion-bar suspension, 3-speed TorqueFlite automatic transmission as an option, unit body construction. And every Valiant is treated by a

Order 2-Door Coupe

7-step dip

and-spray anti-rust process.

The point is: when we found a good thing, we stayed with it. And where possible, we improved it.

Along came Duster.

In 1969, we came up with a new version of the Valiant, called the Duster. Paced by Duster, Valiant has

Become one of America's hottest selling economy cars and a leader in its class in resale value.

There's a lot that's Valiant in all our cars.

For example, 9 out of 10 new Chryslers registered in the last 10 years are still on the road.

It simply proves what most people already know. When it comes to building a car right, Chrysler-Plymouth lives up to its reputation for great engineering.

We think this is the kind of car America wants—a car built to last. For the kind of car you want, see us. We're determined to be the kind of dealer you want, too.

Free Automatic Transmission

Special Offer! Buy a Valiant the way you want it.

Power windows, radio, wheel covers and other special options and we'll throw in the automatic transmission at no extra charge.

Coming through with the kind of car America wants.

cessors, or assigns of the Municipality or of the Grantee.

SECTION 9. This franchise is in addition to and supplemental upon and all such rights as the Grantee may have by virtue of the provisions of Chapter 372, Laws of Mississippi of 1956, as amended, and any other section of the Mississippi Code of 1942, as amended, and its acceptance and exercise by the Grantee shall never be construed as a waiver nor abandonment of nor a limitation upon the rights vested in or being exercised by the Grantee under any act or law of the State of Mississippi. Nor shall the granting of this franchise be construed or operate to abridge, impair, or deny the validly held rights of any other distributor of electric energy within the Municipality, or portion thereof, by virtue either of a franchise from the Municipality or certificate of public convenience and necessity issued pursuant to Chapter 372, Laws of Mississippi of 1956, as amended.

SECTION 10. The rights hereby granted shall become effective upon the passage of an ordinance and continue for a period of twenty-five (25) years thereafter.

SECTION 11. If any clause, section or section of this ordinance is illegal, or is not in accordance within the title thereof, or is not cognate to the title expressed in the title, the remaining provisions hereof shall not be thereby affected but shall have full force and effect.

ARTICLE 12. The Grantee hereby assigns to the Municipality the right of publishing this Ordinance according to law and at the cost of holding an auction for the approval or disapproval by the qualified electors of the Municipality of said Ordinance.

ARTICLE 13. This franchise hereby granted and superseded is hereby granted to Grantee by the Municipality by Ordinance No. 10,447, recorded in Book 8, pages 447-48, Ordinance Book 1, pages 1-2 of the Municipality, upon the effective date of said Ordinance, shall, by mutual agreement of the parties thereto, remain in force and effect until the expiration of said Ordinance 14. This Ordinance shall become effective until the expiration of said Ordinance by the Municipality, published as a law and approved by the vote of the qualified electors of the Municipality thereon at a special election called and held as follows:

1. by law.

2. within and foregoing the term of one year, having been in writing and read by the Grantee at a regular meeting of the said body governing the said municipality and having been recorded on file with the clerk for public inspection for a period of at least two years before the final passage thereof was read and considered by sections at a meeting of the said body in the form in which it was introduced and in the presence of Ducre, duly sworn in and sworn in by the said body.

Upturn Developing Bay Playgrounds

THE SEA COAST ECHO, BAY ST. LOUIS, MISS., THURSDAY, OCT. 21, 1971 SECTION A PAGE 11

TO PLACE CLASSIFIED ADS, CALL 467-5474

Bay Operation Upturn, in conjunction with the Bay St. Louis Parks and Playgrounds Commission has been involved for the past year in a program of park and playground development for the youth of the city.

Prior to hurricane Camille, the city maintained several playgrounds throughout the area, most of which were either severely damaged or totally destroyed by the hurricane.

Utilizing Interim Assistance funds, budgeted specifically for park and playground development, Bay Upturn has been able to rehabilitate existing playgrounds as well as program new ones in needed areas of the city.

To date, a total of \$37,461 has been expended in the development of 12 parks and playgrounds situated in every neighborhood of Bay St. Louis.

Through the judicial use of

technical capabilities of the Upturn staff, Upturn administrator John McKenna has managed to produce carefully planned and engineered community recreation areas of varying sizes ranging from Commodore Park on North Beach Blvd., which has landscaped shrubbery and flower beds and benches under a shade tree, to the ambitiously conceived City Park, comprising several acres of land to eventually provide a complete community recreation park.

Money spent under allowable budget items has been used for surfacing, grading, fill, brush and debris clearance wherever necessary. Basketball and tennis courts have been laid, fences installed, and goal posts, picnic tables, grills, slides, swings, carousels, see-saws and other play equipment purchased and installed according to the size of the park.

The following playgrounds

have been included under the development program: City Hall Park (behind City Hall); Commodore Park, N. Beach across from the yacht club; Loicane Park, Main and N. Beach; N. Beach and Uman Ave.; Larroux Park, Dunbar and Julia; Washington Park, Washington and St. Francis; City Park, St. Francis and Booker (still in progress); V.C. Jones, back of the school on Old Spanish Trail; Our Lady of the Gulf, city owned property adjacent to the school; Retarded Children's School, now situated in Lakeshore; a playground in the new annexed area, American Legion Pier (in progress).

When completed, the American Legion pier will provide for Bay St. Louis residents a much needed, complete water recreational facility, as well as a potential source of income to the city from tourists.

A CITY WORKMAN installs a picnic table and benches in the picnic area of Bay St. Louis City Park, now under development by Operation Upturn. When completed, the better than three-acre recreation facility will boast two baseball diamonds, tennis courts, rest room facilities, children's play equipment, water fountains and an equipment storage and concession building, as well as picnic tables and barbecue grills.

Before

After

TRANSFORMATION of a marsh into an attractive park was accomplished by Felix Seeger on the triangle of ground in front of the Bay-Waveland Yacht Club, under the auspices of Bay

Upturn. Using fill dirt from city ditches, painted benches from an abandoned park, flower seed donated by Pitalo's Grocery, shrubbery donated by Holiday Nursery and city labor, Seeger developed the park at almost no cost to the city.

LARROUX PARK, one of the city's Operation Upturn development projects, has provided protected recreation facilities for children of the North Bay area. Local Jaycees installed the following playground equipment in cooperation with Upturn: merry-go-round, see-saw, monkey bars, slides and two swing sets. The park also has a basketball court.

THE ROCKS face the Tigers as the two rivals met in grid action Friday night. However, the Rocks proved to be no match for the Bay High team who took the game 42-6. (Photo by Michael Flynn)

Tigers Trounce Rock-A-Chaws

The Bay High Tigers humbled their cross-town rivals Friday night. The Rocks, who were favored to win, were outplayed by the Tigers in every phase of the game.

The Tigers scored in every quarter, but the last while the Rocks scored only in the last period.

The scoring began in the first quarter when Tiger fullback Mike Peterson ended a 60-yard drive with a 3-yard touchdown run. Piazza added the point after.

The Rocks intercepted three of Gary Blaise's five passes. The first interception by Mike Elliot led to a drive that brought the Rocks down to the Tiger five-yard line in the second quarter. However, the Tiger defense held firm and the Rocks were unable to score.

A 44-yard drive later in the second quarter led to the next Bay High score. Mike Lynum scored on a 9-yard run. The Rocks' defense was unable to stop the Tigers.

The Tigers scored four touchdowns in the third quarter. First on a ten-yard run by Fred Bilbo, with a two-point conversion by Lynum. Blaise was next to score with a 17-yard run. He scored again with a 14-yard run. Mike Lynum added the last Tiger touchdown after a Tiger drive brought the Tigers inside the Rock-a-chaw five.

The lone Rock-a-chaw touchdown came late in the fourth quarter when Stanislaus quarterback David Worrel ran 60 yards for the touchdown. The point after attempt by Elliot was unsuccessful. The game ended 42-6.

St. Clare's Precision Group Will Perform At Game

The award-winning Precision Group of St. Clare's School will begin its 1971-72 season Sunday afternoon, in St. Stanislaus stadium during half-time of the St. Clare-St. Pauls football game.

Warriors Beat Annunciation

The Warriors of St. Clare's put together a great team effort to overcome Annunciation of Kilm 32-6 last Thursday afternoon. The Warriors compiled a total of 266 yards offensively.

Early in the first quarter, St. Clare fullback David Handschke scored on a six-yard run. The point after was scored by Reggie Fayard. The score remained 8-0 until midway through the second quarter when Reggie Fayard ran 28 yards for six points and David Handschke added two with his two-point conversion. The gun sounded at half time with the score 16-0.

During the second half, the Warriors trailed again as halfback Greg Fuchich plunged to the goal line from the five. Quarterback Santo Saulcer ran in the two-point play after final goal as Reggie Fayard broke loose for 57 yards touch-down play. Annunciation scored their TD in the third quarter when they returned a Waveland kickoff 73 yards. The extra point was stopped.

St. Clare's played a fine defensive game, allowing Annunciation only 40 yards rushing and 22 yards passing. Back Otto Bourgeois intercepted an Annunciation pass early in the first half.

Standouts for St. Clare's were Greg Fuchich with 128 yards rushing and Reggie Fayard with 105 total yards.

The 4th, 5th, and 6th grade football team for St. Clare's in Waveland will play their first game of the year this Sunday (Oct. 24) against St. Pauls of Pass Christian. Game time is two o'clock at Rock-Chaws stadium. Half time entertainment will be provided by the St. Clare's Precision group.

Red Raiders Win Second Game

Coast Episcopal Red Raiders after losing their first three games, got up momentum by winning their last two games. The Red Raiders played in Bay High Stadium, Wednesday, Oct. 13. The Red Raiders' pass defense has played excellently in the past two weeks, intercepting two passes each game. Jamie Hans and Matthew Hammett intercepted the passes, and both were almost run back for touchdowns. The blocking downfield was excellent. Dee Coffey and Joe Doussan also caught Gulfview's quarterback in the end zone for a safety. Jamie Hans as quarterback moved the offense well, mixing his plays. The offense chalked up three touchdowns and a two point conversion for a 22-0 score.

CYO OFFICERS

GAME

Hawks Fall To McLain

The Hancock North Central Hawks scored three touchdowns against McLain High in Hattiesburg last Friday night, but failed to convert any of their scores, while McLain also scored three touchdowns but converted each score to win the ball game 24-18.

The Hawks did better statistically, out-distancing McLain in first downs, pass receptions, and total yardage. However, they failed to come out on top in that most important statistic, the score.

The scoring started after McLain took the opening kick-off and marched down the field in eight plays to score on a four-yard end run. They scored again in the second period after they picked up a fumbled punt on the Hawks 35 yard line that set up the touchdown four plays later on a 15 yard pass play.

The Hawks scored later in the second quarter after Tommy Joe McArthur picked up a McLain fumble and ran the ball 45 yards for the score. The Hawks failed to convert and the half ended 16-6.

McLain picked up another Hancock fumble in the third period, setting up a score seven plays later.

The Hawks came back in the fourth quarter with two touchdowns. Mitchell Havard threw to McArthur for a 35 yard touchdown play and later threw to Ernest Keyes for the final score, ending the ball game 24-18.

'Getting In The Know'

By Donald James Robinson, Special Education teacher North Bay Elementary

One of the most significant steps taken by the Bay St. Louis Public School System was the launching of Special Education into its curriculum.

One of the purposes of special education is to reach those individuals who otherwise should not be reached or profit from instruction in a regular classroom setting.

Far too long, a stigma has been attached to special education. This view is held by community leaders, some educators, as well as parents.

V.P.W. MEETING
Theodore S. Price Post 3253 will have a meeting Wednesday night Oct. 27 at 8 p.m. at the post home 206 Third St. The club room will be open and all members are urged to attend.

LET'S HELP

United Fund 1971

In surveying the city, in part, it is a general opinion that special education serves only mentally retarded individuals. True, it does serve mental retardation, as well as learning disabilities, speech and language dysfunctions, and other forms of exceptionalities. It is fortunate that the problem can be faced and hopefully minimized through the addition of the learning disability class at North Bay Elementary School. The appeal of the school personnel is that you as parents accept this class as a means of helping children develop at their own rate, thus ultimately preparing each of them as contributing members of society. For this is the philosophy upon which the program of education of exceptional children is based. As we, the citizens and residents of Bay St. Louis, and Hancock County, get in the know, we can help these children get the best possible education here in their home town so that they can take their place in society with dignity and pride.

If there are specific questions that you want answered, contact the writer of this article at North Bay Elementary School, Bay St. Louis, Mississippi.

Little One?

BIG ONE?

The Best Is Yours At Six Good Ones.

Here it is new car introduction time, and the selection is amazing. All shapes, sizes, styles and color schemes... just waiting for you to get behind the wheel.

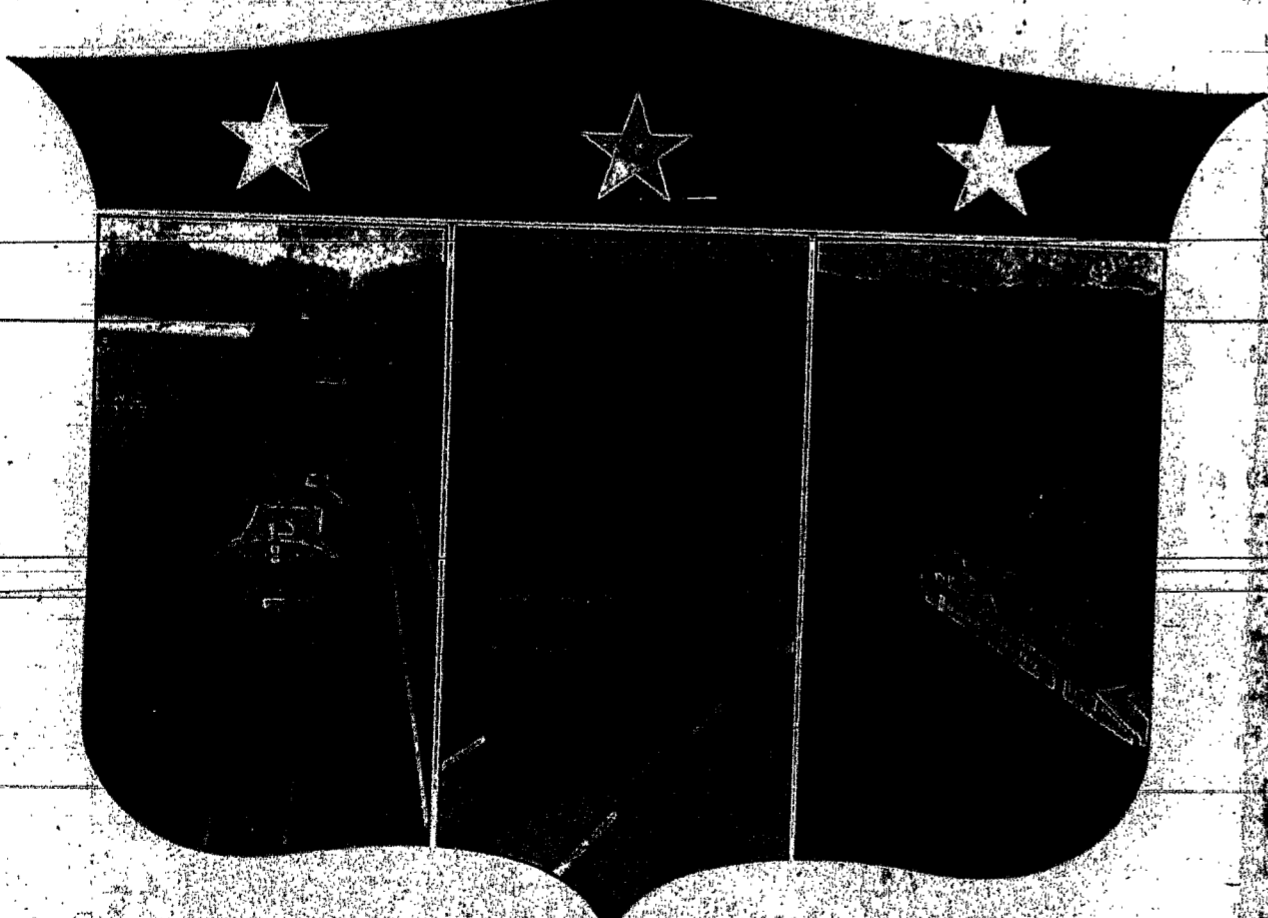

Out of that kaleidoscope of curves, chrome and colors, there is one certainty, however. You cannot pick a better way to finance your new car or truck than with a low-cost loan from Gulf National Bank.

Very friendly, low-cost auto and truck loans are waiting for you at six Gulf National offices from Biloxi to Bay St. Louis. Whatever size car you pick, we'll tailor a loan to fit it.

When railroads, trucks and water carriers work together

America is really on the move!

The Louisville and Nashville Railroad brings the products of America's farms and factories to your town. Working closely with shippers, they help hold transportation costs to a minimum while improving and expanding their service to meet the growing freight needs of our nation. Louisville and Nashville Railroad can't cope with soaring costs because income just hasn't kept pace. The problem is common to all three transportation modes: railroads, trucks, and water carriers. If the system should break down, you and your family would find yourselves paying more for everything you need. That's why the Surface Transportation Act of 1971 has been introduced in Congress by Senator Vance Hartke (D-Ore.) and Representative Brock Adams (D-Calif.). Transportation must be relieved of restrictions which hamper the improvement of services essential to the public. Many solutions are included in the proposal: a finance agency to assist in providing loans and guarantees for new equipment; wide latitude in permitting railroads to relinquish unprofitable routes; new approaches for protecting grade crossings. Think it over, of course, but the end result will provide America with a sensible program upon which its vital surface transportation companies can grow. The Louisville and Nashville Railroad, one of the nation's great railroads serving shippers on 8,200 miles of track in 13 states, is solidly behind the proposed Act. The L&N urges you to write your Congressman and Senators to request its passage. May we count on your support?

The Louisville and Nashville Railroad **L&N**

Fair Field Day Winners Named

Friday, October 18th was School Field Day at the Hancock County Fair and Livestock Show. The Rotary Club of Bay St. Louis sponsored this event and game premiums of \$3, \$2, and \$1 to first, second and third place winners in each event.

Below is a list of winners:

Girls - 13 and under:

50 Yard Dash:

1. Coulena Tops - Pearlinton

2. Pam Lee - Pearlinton

3. Orealla Sains - Pearlinton

100 Yard Dash:

1. Darrell Spiers - Hancock

2. Carolyn Lee - Gulfview

3. Linda Overall - Gulfview

Sack Race:

1. Linda Overall - Gulfview

2. Pam McGee - Bay Junior

High:

3. Carolyn Lee - Gulfview

2. Reba Perry & Linda Overall - Gulfview

3. Beth Garcia & Lisa Klein - St. Clare

Corn Cob Throw:

1. Linda Overall - Gulfview

2. Cathy Bosley - Pearlinton

3. Lols Tops - Pearlinton

Kangaroo Race:

1. Pam Smith - Waveland

2. Carlena Tops - Pearlinton

Girls - 14 & Over:

50 Yard Dash:

1. Clara Jackson - Pearlinton

2. Aurora Tops - Hancock North Central

3. Lols F - re - Bay Junior High

100 Yard Dash:

1. Debbie Favre - Bay Junior High

2. Marilyn Cagle - Gulfview

Sack Race:

1. Marilyn Cagle - Gulfview

2. Cindy Cure - St. Clare

Kangaroo Race:

1. Virginia Willis - Hancock North Central

2. Marilyn Cagle - Gulfview

3. Susan Stoufflet - St. Clare

Three-Legged Race:

1. Virginia Willis & Reid Barnes - Hancock North Central

2. Cindy Cure & Susan Stoufflet - St. Clare

3. Carolyn Spiers & Cynthia Spiers - Hancock North Central

Corn Cob Throw:

1. Yvonne Hoda - Hancock North Central

2. Peggy Smith - Bay Junior High

3. Virginia Willis - Hancock North Central

Boys 13 & Under:

50 Yard Dash:

1. Allen Sanders - Pearlinton

2. Edgar Barnes - Pearlinton

3. Sonny Schwartz - Gulfview

100 Yard Dash:

1. Chris Johnson - North Bay

2. Sonny Schwartz - Gulfview

3. Bobby Coleman - North Bay

Sack Race:

1. Tyrone Dastugue - Gulfview

2. Chris Johnson - North Bay

3. Kim Ladner - Hancock North Central

Kangaroo Race:

1. Tyrone Dastugue - Gulfview

2. Joey Spiers - Gulfview

3. Ray Thornburg - North Bay

THERE ARE GRADE "A"

AND THERE ARE GRADE "A"

Not all Grade "A" eggs are alike. To be labeled Grade "A", eggs must meet certain minimum requirements.

There is many an egg that can be called Grade "A", but their quality could be a Sunbuck Egg.

Sunbuck Eggs... they're our best. They have to be well above the minimum to be called Grade "A".

Break one in a pan, notice how proud the yolk sits up. That's the sign of a good egg... a fresh egg... a Sunbuck Egg.

Try Sunbuck. And if you ever find just one egg that doesn't measure up, we'll give you a dozen free.

12 for 1... that's pretty good odds.

Yacht Club Plans Fall Sunfish Regatta

Thirty four skippers participated in a total of seventeen Sunfish races over the past week-end at Bay-Waveland Yacht Club. Dennis Stieff led all skippers with 4 wins, followed by Chris Stieff with three wins and Ricky Flanders with two. Other winners in the final week-end of informal racing prior to the Fall Regatta were Mary Lynn Eagan, Emily Merlin, Glet Stachle, Cindy Stieff, Rod Stieff, and Tracy Stieff. The winners in the two adult races were John Christensen and Pete Morill.

The Fall Sunfish Regatta will be held at Bay-Waveland Yacht Club on October 30 and 31st beginning at noon each day. Trials under complete Regatta conditions will be held on October 23 and 24, preceded by registration and a skippers meeting at 11:00 a.m. on Saturday, October 23. Five separate classes are planned with the winners of the junior class competing on October 31 for the Fall Junior Championships. Trophies will be awarded for all classes at an awards dinner, which is scheduled for Saturday evening, November 6th. Participants are urged to have sail numbers on their sails prior to the registration and skippers meeting on October 23rd.

TREASURE SALE!
The Bay-Waveland Junior Auxiliary will hold a Trash, Treasures and Treasure Sale on November 6 from 9:00 a.m. to 5:00 p.m. at the Winn Dixie Shopping Center. There will be tremendous bargains in clothes and old furniture at the rummage booth. Candy and other homemade baked goods can be purchased at the Sweet Shoppe. Delicious hamburgers and hot dogs will be sold. There will be bargains and fun for everyone.

We are way into October and the weather is still warm with very little or no rain over the weekend. Fishing was fairly good with fresh and salt water fish being caught. Speckle trout are not here like they should be. Not cold enough to bring them into Jourdan River where trolling is at its best this time of the year. A few are being caught here and there. They are still on the small size.

On the hunting side the squirrel and rabbit seasons are open but again the weather has been too hot to shoot them. Both squirrel and rabbits are best after the first real frost. Haven't heard of too many being killed.

The World Series has come and gone. The Pirates were the winner, winning 4 games in a row, but according to tradition Bull-Crocker have not come to the croaker hole as yet. There have been quite a few caught elsewhere, however.

Red Fish are beginning to be caught here and there. A few were gotten along with flounders at Red Fish Bayou in Herron Bay. This is also a good spot to catch speckles when they are giving.

Boas fishing is getting better all the time and should be at its best when trolling comes into its own. Another thing that depends on cold weather when the fish are taking under water baits. Don't be mistaken however, boas and perch will hit surface baits when the weather and water is warm during the winter time.

The second segment of the dove season opens on November 20 and lasts until Nov. 28th. The first part of the season proved to be too hot for this type of hunting. Should get better shooting during the second and third parts.

Mr. and Mrs. Ronnie Maurigi and son Robert enjoy quite a bit of fishing. Robert is only 9 years of age but catches his share of the fishy tribe.

Understand, Wayne Egan and Dick Moyer, Jr. made a nice catch of green trout. They both use the fly rod like old masters. Their boat is a canoe. Two shaky for us old timers.

Elias Depree and Ronnie Maurigi caught 50 mixed salt water fish recently. They have been fishing a long time.

Sheldon Seuzeneau III, Nicky Kingston and Albert Bourgeois made a trip to Crooked Island on Sheldon's boat. Reported a nice catch of speckles. All three are old timers at fishing but still young. Really, they caught 86 speckles on Shad Rigs and Merlures. No need for shrimp if you know how to use the above baits.

Was a pleasure meeting Bill Ford of Waveland. A real sport.

SPORTSMAN OF THE WEEK—Fred Young doesn't claim to be a fisherman or hunter but is an expert race horse trainer. Fred has handled horses for years. Trained some of the best. He understands them and they understand him, he claims.

Bud Thomas is his chauffeur.

Brother Phillip of St. Augustine Seminary takes the cake this week. He caught a 7 1/2 pound speckle trout recently. The trout was nearly a record. Don't come much bigger. Brother is a real sportsman. He fishes, hunts, catches soft crabs and flounders when the seasons are open.

Speaking of St. Stanislaus, the students of the school catch plenty fish we don't hear about, off the pier—which has been rebuilt since Camille. All species we will say, from catfish to sharks (not dangerous ones.)

Should be some snipe killed this year. Have seen plenty hereabout, most everywhere. Snipe are a shy bird of meadows and fresh-water swamps, rises high in the fall and winter air, with a "drumming" sound. They have a long, dark, pointed wings, short legs and rapid flight. There is a great season on them. There is no better eating bird than the snipe. Watch yourself when they say let's go snipe hunting that's when you hold the bag. Unexperienced hunters often take a killedeer for a snipe.

Have noted plenty Coot (Poule Deau) around already in Bayous and bays. They come under the duck category and have an open season. Good eating if they are cooked right. Easy to shoot.

Mr. and Mrs. Conrad Maufrey are tops when it comes to square dancing. Another sport if you like it. They enjoy fishing, too.

Red Reinike is classed as a golfer and fisherman, does both, when not operating a bulldozer or grader.

Most sportsmen are hunters, fishermen, golfers, etc. On the Gulf Coast they can do all. From now on they will take to the woods and waters, kill ducks, birds, animals. This is the best part of the year for them. It is unfortunate that we have to grow old. Can't get around like we used to.

The regular meeting of the Bay-Waveland Gun and Rod Club was held Wednesday night with a swell supper. Was well attended. Why not join the club and get acquainted with a great bunch of sports. Donald Caldwell is president with a good bunch of co-workers.

Clayton Thompson, Jimmy Strong, Jr., and Kervin Nodale caught 60 speckle trout Wednesday by the highway

bridge.

When going fishing and need a lunch, Mary at Chateau Sue makes stuffed crabs everyday. Has gumbo on Friday. What more do you need?

Mrs. Rocky Wyatt caught a 1 and 1/2 pound speckle trout as well as some nice croakers. Was she tickled?

Jack Doyle and Boe Jackson caught some speckle trout and bass. They fish regularly.

Nrovin Kelly reported catching 15 reds at Mud Grass and Crooked Bayou. They weighed 8 to 15 pounds.

C.J. Favre, engineer for the T & P Railroad, and Lawrence La Fontaine do both fishing and hunting. Doing pretty good they claim.

Clayton and Betty Thompson caught 57 speckle trout Thursday. They make a good couple when it comes to getting 'em.

C.C. McDonald, Sr., has returned from a vacation trip to Mount Eagle, Tennessee. Looks good, feels fine and we are glad to see him back at his desk.

Edward Hall, manager of The Echo, likes to play golf. Better take time off to play, Ed. Looking forward to that game, boss.

Rosemary Blaize has been confined to the hospital lately. Hope she is getting O.K. and will be back on the job soon. Rosemary has been with the Echo for years.

Someone wrote—why worry if someone hands you a lemon—just make some lemonade. Worry kills more people than disease.

Mr. and Mrs. Herman Jacobi announce the arrival of their third child and third girl, Blair Pinkney, October 5, at St. Joseph Hospital, Savannah, Ga. She weighed seven and one-half pounds.

Mrs. Jacobi is the former Barbara Stansbury, daughter of Kirby Stansbury of New Orleans and the late Mrs. Stansbury. Mr. and Mrs. Louis Jacobi, Jr., of Waveland are the paternal grandparents.

The following births were reported at Hancock General Hospital during the past week:
A son, Randall Allen, born October 16 to Mr. and Mrs. John Jacob Perkins. He weighed six pounds, 12 ounces.
Mrs. Perkins is the former Billy Jean Nobles.

Mr. and Mrs. Gabriel Fousannon announce the arrival of a son, Michael Rax Cox, Sr., October 17. He weighed seven pounds, seven ounces.

Mrs. Cox is the former Dianna Lynn Seymour.

Mrs. Fousannon, the former Wanda Douglas, is the daughter of Mr. and Mrs. Hugh Anderson of Dumas, Texas. Mr. Auguste Fousannon of Bay St. Louis is the paternal grandfather.

Episcopal went on a field trip on Friday, Oct. 8. They visited the fire station in Pass Christian, and were very surprised and thrilled when they were given a ride on the fire engine. From there they visited Paul's Candy Shop where they sang the Doughnut Song and were given a complete box of the bakery. They watched avidly while a birthday cake was decorated and doughnuts were being made.

A son, Michael Rax Cox, Sr., October 17. He weighed seven pounds, seven ounces.

Mrs. Cox is the former Dianna Lynn Seymour.

Mrs. Fousannon, the former Wanda Douglas, is the daughter of Mr. and Mrs. Hugh Anderson of Dumas, Texas. Mr. Auguste Fousannon of Bay St. Louis is the paternal grandfather.

JAYCEES who volunteered their time and effort Saturday to build a boat launch on the American Legion pier are pictured by the completed ramp. Bay Operation Upturn supplied the funds and local Jaycees provided the physical labor for the ramp in preparation for the coming Jaycee Fishing Rods, scheduled for October 9 and 10. Members pictured from left, Curtis Thomas, Albert Bled III, Roger Davis, J. L. Gonzales, Jim Chinielle, Bob Boudin and Sheldon Seuzeneau. Another worker, Billy Hardy is not pictured.

BAY ST. LOUIS: St. Augustine's Seminary, Bay St. Louis, Mississippi, welcomed eighteen new men into its novitiate on September 1, 1971. These men come from all parts of the United States to become members of the Society of the Divine Word. One of the new novices, Maurice Mayo, an alumnus of St. Augustine's, has returned to make his novitiate. The new novices will personally discover the meaning of living and working in this religious community. The novices will become involved in various activities at the seminary as well as social and religious activities in Bay St. Louis and the surrounding area.

These activities range from the general upkeep of the seminary grounds to teaching in G.C.D. programs in the immediate area. Through their involvement with both the seminary and the lay community the novices develop a spirit of the priestly ministry. In their one year of novitiate the novices will cultivate an attitude of prayer, service and community living under the guidance and direction of Fathers Wilfred Keller and Charles Lelaring. Upon completion of their novitiate, these men will pronounce vows as members of the Divine Word Missionaries.

RECEIVES MEDAL

Army Specialist Four Anthony J. Gambino, 20, son of Mrs. David Anderson, 216 St. Joseph St., Waveland, Miss., recently received the Army Commendation Medal in Vietnam. The medal was awarded for meritorious service. Such service can be over an extended period of time or for outstanding achievement in a single situation. In either case, the recipient must have demonstrated skills and dedication far above the average.

Spec. Gambino received the award while assigned as a fireman with Company C, 523rd Signal Battalion of the 23rd Infantry Division near Chu Lai. The specialist entered the army in November, 1969, completed basic training at Ft. Leonard Wood, Mo., and was stationed at Ft. Gordon, Ga., before arriving overseas. He is a 1969 graduate of L.E. Rabouin High School, New Orleans, La.

A family get-together and barbecue was held Sunday at the home of Dr. and Mrs. A. K. Martinolich Jr. for her uncle Edgar Perre of Long Beach, California, who is visiting his sisters Mrs. Leone Cabell and Mrs. Juliette Cook. Attending were Mrs. Cabell, Mrs. Cook, Mr. and Mrs. Fred Cabell Jr. and children, Mr. and Mrs. M. J. Gleber Jr. and children and the Martinolich family.

Engagement Announced

Mr. and Mrs. Kenneth A. Michelbach of Alexandria, Virginia, announce the engagement of their daughter, Miss Candis Lee Michelbach to Dr. Daniel S. Ramelli III, son of Dr. D. E. Ramelli and Mrs. Rosemary Legendre Ramelli. The wedding is planned for October 23, Fort Myers Chapel, Alexandria, Virginia. Miss Michelbach, whose mother is the former Mary Elizabeth Driscoll of Alexandria, Virginia, is an alumna of the St. Agnes School for Girls and a graduate of Madison College, Harrisburg, Virginia. Dr. Ramelli, whose mother is the former Rosemary Legendre of New Orleans is a graduate of Auburn University where he was president of Phi Gamma Delta Fraternity. He is presently a lieutenant in the United States Navy and Head of the General Navy Purchasing Office in Washington, D. C. He is the grandson of Mrs. Alcee S. Legendre and the late Dr. and Mrs. Emilie Ramelli.

Echoes

Mr. and Mrs. Clarence Randolph have returned from a three-week vacation in Oklahoma. While in Oklahoma City they were guests of their son-in-law and daughter Mr. and Mrs. George Cox and in Bold they visited with their son and daughter-in-law Mr. and Mrs. Edward Randolph. Mrs. Harry Ward has returned from Port Arthur, Texas, where she spent a month with her son-in-law and daughter Mr. and Mrs. David Clifton and daughters Karen and Debbie. Mr. and Mrs. Eugene Monti spent the weekend with their sons-in-law and daughters Mr. and Mrs. James Lacour and son Kevin in Kennel, La., and Mr. and Mrs. John Orr in New Orleans.

Your Public Schools

This is the first of several articles to be found as a regular column in this paper. The primary purpose of these articles is to serve as a means of communication between the public schools and the concerned public. Each week various aspects of the many activities of the Bay-Waveland public schools will be discussed. In addition, it is hoped that a regular feature of these articles will be acknowledgement of outstanding efforts by both past and present students. The articles are researched and written by the students under the guidance of Mr. D. McQueen, English instructor at Bay Senior High. This week attention is focused on the science department.

The Bay Senior High School has hosted an excellent science department since its foundation. It is composed of various programs (biology, chemistry, physics, physical science, etc.) and has been rated superior in every aspect. Not only are the labs technically well equipped, but each science class is provided with a more than qualified instructor.

A very active and interesting aspect of the science program is the Science Club. This club is composed of those who are taking and are very interested in science. At present the Science Club is running a daily weather station, whose forecasts will soon be published regularly in this paper. Future plans include the building of a world transmitting radio set. This project is being un-

dertaken by the students themselves. It will be a first for a Gulf Coast School.

Basically the Science Club promotes science among the interested. Yearly science fairs at the elementary schools, Junior High, and Senior High are sponsored by the Science Club. Students are given the opportunity to compete in various fields for ribbons and placings in local, district, state, and international competition. This year the elementary science fair will be held the third week of February and the Junior High's, the first week of March.

Former students who have placed at the local, district, and/or state levels and their present majors are: John Paul, now working for Bell Telephone

Company; Noel Phillips, pre-medicine; Susan Scruggs, pharmacist; Debbie Wyman, nursing; Barry Burke, chemistry; Lex Maunfey, biology; Patty Brammeyer, physics; Karl Wilcox, physics; Joyce Zengering, nursing; Tom Landon, engineering; and Tim Craig, medicine.

Bay Senior High students who won local and district fairs and went on to state last year are: McKenna, Mark; Craig, Karl; Wilcox, Barry; Burke, Karl; Landon (who won the National Youth Science Council Award last year); Allen, Cruden; and Tim Craig. (Karl Wilcox came very close to placing in the International.)

At the end of last year Amy Hartnett received a National Science Foundation Scholarship for \$75.00 to attend camp at M.S.C.W. from June 25-August 15, 1971. Out of 174 applicants from all over the country only 21

were chosen. Any student studying animal behavior, a mixture of psychology and biology, after project was the "Colon Adaptation in Gambusia Affinis" (similar to the top minnow).

In Amy's opinion the camp benefitted those attending most in that it provided each student opportunity to work at his own speed. The communication between all was very good and on the whole the trip was very worthwhile.

In order to break the classroom hum-drum, field trips are taken often. Every year the chemistry and physics classes tour the Standard Oil Refinery where they are given the red carpet treatment. Biology classes take many field trips and are looking forward to visiting the RESEARCH LAB in Ocean Springs soon.

According to Mr. Thomas Johnson, science instructor at

Bay Senior High, the success of the science department depends entirely on the students. As far as entering the science fair, Mr. Johnson believes that any student interested in obtaining scholarships, grants, or recognition should enter. Offered every year is the Westinghouse Scholarship (\$12,000) and the Beach-Losh Scholarship for Engineering (pays for full four years at the University of Rochester, New York). Also any chemistry major is eligible for Standard Oil training as a technician.

LAMB PROMOTED
Michael R. Lamb, 2, son of Mr. and Mrs. William R. Lamb, 634 N. Beach, Bay St. Louis, Miss., recently was promoted to Army Specialist Four near Phu Bai, Vietnam.
Spec. Lamb is a helicopter mechanic in the 103rd Aviation Company, 101st Airborne Division (Airborne).

Stop it!

stop this anti-American rot

Stop it, you anti-Americans! Stop criticizing everything and everybody and every motive and every action except your own.

Stop constantly sniping at your government. What in the world is the matter with you?

You have the most wonderful nation on earth, a nation that has gone to extraordinary lengths to uplift the poor, feed the hungry, comfort the afflicted, and extend justice to everyone.

Yet, here you are, applauding the very people who degrade and mock America, who tell how selfish and corrupt Americans are.

Stop it, America, before it is too late!

Courtesy Eugene C. Pulliam, publisher of the Indianapolis News and The Arizona Republic.

Sorority Holds Weekend Outing

Recently thirty members of the Delta Epsilon Chapter of Alpha Xi Delta Sorority spent the weekend at the summer home of Mr. and Mrs. Otto Sulzer, Jr., 322 Necaise St., Waveland. Miss Millie Sulzer, chapter vice president, was hostess for the weekend, during which the sorority members had a barbecue and took advantage

of the sunny beach. The main objective of the stay was to prepare for sorority rush at L.S.U.N.O. where the girls are students.

Rush weekend, as these three days are called, is an annual event for Alpha Xi Delta and was also held in Waveland in 1970. The Sulzer home was the location for last year's rush weekend also.

Waveland residents Mr. and Mrs. O. Sulzer, Sr., 320 Necaise St., also took part in the weekend activities.

The temperature was very high, but so were the enthusiasm and excitement of the girls.

According to chapter president Patricia Peyton, a good time was had by all.

OFFICIAL VISIT

Mrs. E.F. (Maxine) Simmons, Worthy Grand Matron, Grand Chapter State of Mississippi, Order of the Eastern Star, made her official visit Monday, October 12, to the west end of District One at Bay Chapter 129, Bay St. Louis. A dinner honoring Mrs. Simmons was followed with a meeting.

Accompanying her were Honorable Mayor Charles Lecomte, Associate Grand Patron of Vardaman, Miss., Mrs. Lecomte and Mrs. Maude Farris, Associate Grand Conductress.

They were overnight guests in the home of Mr. and Mrs. Donald H. Simmons, Worthy Matron and Worthy Patron Bay Chapter 129.

Chapter 129. They also visited the following day in the homes of several past matrons and past patrons.

ATTORNEY APPOINTED

The newly formed Hancock County Firemen's Association has announced that Bay St. Louis Commissioner William Frisbie has been appointed as attorney for the association.

Frisbie, as a member of the organization, offered his services as a lawyer to handle any necessary legal matters for the Association and as a first order of business, is drawing up by laws to be submitted to the state fire marshal.

DIETETIC PERSONNEL—Recently attending a food service supervisors workshop at the University of Mississippi, sponsored by the Mississippi Dietetic Association, were food service supervisors (from left) Mrs. Jewell Simmons, West Point; MRS. GRACE SANTA CRUZ, BAY ST. LOUIS; Mrs. Ruth D. Fleming, Quitman; Mrs. Emma Jane Wilkerson, Lucedale; Mrs. Lillie V. Miller, Wiggins. Purpose of the workshop was to discuss personnel management, planning and preparation of diabetic diets, and principles and techniques of management.

Mr. Colling Celebrates 80th Birthday

Celebrating his 80th birthday recently was E.S. (Bill) Colling, local writer for the Sea Coast Echo's "Colling's Corner."

Joining in the party were his daughter, from Hollywood, Calif., Miss Joyce Colling and his daughter, son-in-law and granddaughter, the Irwin Cucullu family from New Orleans. Also from New Orleans, Mr. and Mrs. Craig Waller, Mr. and Mrs. W.G. Erwin and from Natchitoches, La., Mr. and Mrs. John Gibbs and their families. Mr. and Mrs. Roy Cucullu, Mr. and Mrs. G.J. Cucullu and Mr. and Mrs. Don Lewis also attended.

Mr. Colling was the recipient of a piano and now will be able to continue his musical composing career. He also received many other gifts. A picnic dinner complete with birthday cake was served and enjoyed by all.

WAVELAND GARDEN of the Month is the home of Mr. and Mrs. Terry Malone 281 Farrar St. The garden is chosen by the Bay-Waveland Garden Club.

MANY THANKS TO ALL MY FRIENDS WHO HAVE VISITED ME AT TURAN-LANE CHEVROLET. I WISH TO ANNOUNCE THAT I AM NO LONGER ASSOCIATED WITH TURAN-LANE CHEVROLET.

AGAIN THANKS,

JOE BERMOND

Koberger-Davis Vows Exchanged

St. Mary's Cathedral in Natchez was the setting Sept. 18 of the wedding of Miss Marianne Davis, daughter of Dr. and Mrs. John I. Davis of Natchez, and Karl Koberger, son of Mr. and Mrs. Charles J. Koberger of Gulfport. The Rev. John E. Leone of Greenville officiated at the double ceremony at 2 p.m.

Mrs. Sally Logan was organist and presented the program of nuptial music. The vocalist, Miss Christine Hunt, of Bloxi, sang "For All We Know" and "The Lord's Prayer." Decorating the church were four large arrangements of mixed white flowers including gladioli and pompon mums. Escorted by her father, the bride wore a floor-length gown of silk organza over silk taffeta. The yoke, the soft neckline, the Empire waist, the hem and the sleeves were all accented with flowers of Venice lace. Three rows of flowers formed the yoke at the front of the gown, and two continued over the shoulders from the Empire waist in front to the natural waist in back. Three rows of lace, fashioned the wrists of the full, flowing Bishop sleeves. Tiny flowerettes of lace edged the full train which fell to chapel length. Her headpiece was a Juliet cap of Venetian lace flowerettes matching the lace of the gown. The cap, accented in back by an organza bow, held an elbow-length veil of silk illusion. She carried a cascade bouquet of white French carnations and starburst pompon mums centered with a corsage of a large white callaya orchid with a yellow throat. She carried an heirloom handkerchief which was carried by Mrs. Koberger on her wedding day 26 years ago. She also wore a gold cross around her neck and tiny pierced earrings monogrammed with her newly acquired initials which were presented to her by her fiancé at the rehearsal dinner held the night before.

Miss Elaine Davis served as her sister's maid of honor, and bridesmaids were Miss Linda Lewis, Miss Judy Rozolky, Miss Edna Ellis, all of Natchez, and Miss Susan Jackson of Starkville.

The flower girl was little Marianne Davis, the ring bearer was Chuck Davis, brother of the bride.

Chris Austin of Bay St. Louis attended his cousin as best man, and groomsmen were Benjie Summy of Gulfport, Fred Horne of Yazoo City, Tony Compretta, Jr., cousin of the bridegroom, Bay St. Louis, and Bruce Cospelich of Gulfport. Serving as ushers were Wayne Cospelich of Gulfport and Billy Davis, brother of the bride.

After the ceremony, the bride's family entertained with

a reception in the Carriage House at Stanton Hall.

The bride and groom, both attired in red, white and blue, left for a wedding trip to Florida. Mr. and Mrs. Koberger are now residing in Long Beach.

Out of town wedding guests included Mr. and Mrs. J.M. Davis, Mr. Grady Davis, Mr. and Mrs. R.C. Hammond, all of Tulsa; Mr. and Mrs. Clarence Remillard, Mr. and Mrs. Leo Heroux, New York; Miss Lucy Guagliardo, Miss Pat Austin,

Mrs. Tony Compretta, Sr., Mr. and Mrs. Sylvester Benigno, Mr. and Mrs. Noel Fuente, Mr. and Mrs. Joe Michel, all of Bay St. Louis; Mr. and Mrs. Loren Miller, Miss Natalie Miller, Vicksburg; Miss Mary Kuriger, Miss Beth Chadwick, Jackson;

Couple Celebrates Golden Anniversary

MR. AND MRS. LEONARD BEECH SR.

Mr. and Mrs. Leonard Beech Sr. of Pass Christian celebrated their 50th wedding anniversary Sunday, September 26, at a reception in their home hosted by their children.

Mrs. Beech, a retired mechanic, and Mrs. Beech, the former Emelene Ladner, were married September 21, 1921, in the home of her father Alcia Ladner in Bayou LaCrosse with the late Rev. Father Dennis officiating. Attendants were her brother, the late Alphonse Ladner, and his sister, Mrs. Samantha Beech Cuevas.

During the reception the couple renewed their marriage vows with Rev. Nathan Kay, pastor Our Lady of Good Hope Catholic Church, DeLisle, officiating.

Natives of Hancock County, Miss., Edna Poolson, Patrick Mr. and Mrs. Beech resided in

Klin prior to moving to Pass Christian. They have two daughters, Mrs. Jasper Ladner, DeLisle, and Mrs. Evelyn Purchner, Pass Christian, a son, Leonard Beech Jr., Pass Christian, nine grandchildren and 11 great-grandchildren. Mrs. Beech received their guests wearing an aqua linen dress with black accessories and a white orchid corsage.

a face cloth over yellow satin, held a tiered cake decorated with yellow roses. Mrs. Charlotte Partridge served the cake and Misses Carol and Aleen Partridge, Pass Christian, presided at the punch bowl.

Attending from Bay St. Louis were their nieces Medamese and Edna Poolson, Patrick Mr. and Mrs. Beech resided in

mississippians serving mississippi

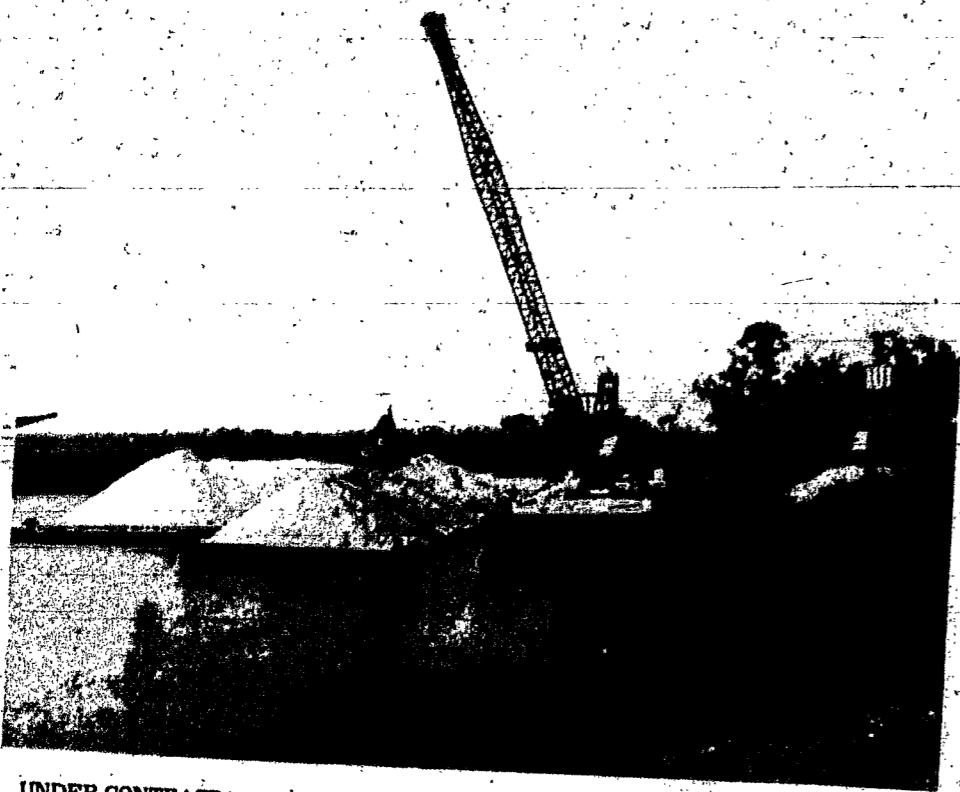

Most of the over 900 Mississippi Power Company employees are native Mississippians - born, reared and educated right here at home. We think this is helpful. Our people know and understand the needs of their fellow citizens; they have a great personal stake in Mississippi and a deep concern for the progress of its people.

Mississippi Power Company employees try hard to be good friends and good citizens. You find them very much involved with the civic, cultural and spiritual life of their communities.

Mississippi Power Company creates many jobs requiring technical and professional skills. By providing these jobs, we are able to keep more of our young people here at home rather than lose their talents and capabilities to other states.

Mississippians serving Mississippi - through Mississippi Power Company!

DO YOU HAVE A DRINKING PROBLEM?
Alcoholics Anonymous meet Mondays and Thursdays, 8:00 P.M., Main St. Methodist Church.

For the family of the problem drinker, Al-Anon meets Mondays, 8:00 P.M., St. Augustine's Cafeteria.

ONCE AGAIN this year, Divine Word Seminary of St. Augustine is conducting summer "Live-Ins." The purpose of the program is to acquaint young boys with seminary life. It consists of discussions, lectures, movies, association with Divine Word seminarians, the celebration of liturgy, and recreation - all geared to enrich one's appreciation of God and fellow man. Two local boys who have attended so far and seven more are scheduled for the remainder of 1971. "Live-Ins" are directed by Fr. William Kelley, S.V.D., Vocation Director of Divine Word Seminary with the assistance of the Novices and high school seminarians.
